**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As soon as a Sonic Fiber was available in my neighborhood I immediately signed up. There is much to little competition, and the incumbent large providers in my area (AT&T/Comcast) have little incentive to provide better value or service without nimble players like Sonic to push better service. I would like to write to support bridge to broadband helping to encourage competition for this vital utility.
